

BRAIN CANCER BENEFIT SATURDAY SEPT. 10TH, 2016 BBQ BENEFIT FOR KEVIN BROWN

Kevin has served 8 years in the US Army, which included two deployments, both lasting 13 months each. He was honorably discharged and is currently working for TDC, where he was recently promoted to Sergeant. Kevin was diagnosed with Brain Cancer in late June and has already undergone 3 brain surgeries to remove the tumor, which doctors said is a stage 2 Astrocytoma. This young man has a long road ahead of him, which includes radiation and Chemotherapy that begins mid-August. Kevin resides in Conroe, TX with his girlfriend Angela and their precious baby boy, Jaxon, who just celebrated his first birthday in May. Please help us to support Kevin with his medical expenses on his long road to recovery.

For more information on the benefit and how to donate, visit our
